 RE: ARYAN BROTHERHOOD PRISON GANG,
 INFORMATION CONCERNING
 RICO, NON-LCN;
 OC TYPE

During June, 1982, [REDACTED] came forth and made known information regarding the Aryan Brotherhood (AB) prison gang, an all white violence prone group which has been in existence for approximately 15 years. The AB was organized in the California State prison system, but within the last several years they have become an influence within the federal penal system and their activities tend to be uncontrolled.

Source has provided accurate information regarding two murders, one at the U. S. Penitentiary (USP), Leavenworth, Kansas, and the other at USP, Lompoc, California. Both were prison gang related. Additionally, he responded to questioning regarding 58 individuals of a hastily prepared listing of suspected members or sympathizers of the AB, plus a few members of the Mexican Mafia (variously known as MM or EME) Mexican prison gang.

During debriefing, source has indicated that things are not currently going well within the AB as many members have become users of drugs, act in a petty manner, and do not live by their lifelong sworn code of conduct, which has been reported to be as follows:

Los Angeles Division does not have a current investigation regarding the AB. The Bureau is requested to advise if any field divisions are currently known to have investigative interest regarding the AB organization, and, if so, some of the informant debriefing information will be directed to those field divisions having interest if Bureau deems appropriate.

Submitted for information with request for response.

ARYAN BROTHERHOOD
Los Angeles Division
RACKETEER ENTERPRISE INVESTIGATION

History

California State Prison System

In the late 1950's and until the early 1960's, there existed at California State Prison, San Quentin, a group of white inmates known as the Blue Bird Gang. As time went on, it became apparent to other white inmates that a more powerful gang was needed to protect white inmates from the Black and Mexican prison spawned gangs that were in power in the California Department of Corrections prison system at that time. [REDACTED] b7C

[REDACTED] the creed that was to become the guideline of the Aryan Brotherhood (AB):

I will stand by my brother,
My brother will come before all others,
My life is forfeited should I fail my brother,
I will honor my brother in peace and war.

In 1967, at San Quentin, the name AB was adopted, and the concept of the AB was formed, that is, "one is in for life and the only way out is by death."

Originally, one had to be part Irish in order to be a member of the AB. The AB wanted whites who could stand on their own feet, but they reached a point where they did not care about anyone except the ABs, and became a white racist group. They picked the name because it showed

white supremacy and the clover because it is the sign of the Irish and the original members had to be part Irish. They use the sign "666", which is the sign of the beast, and the swastika, which means one is an outlaw. The shamrock is symbolic of the AB and especially when there are three 6's in the shamrock.

[REDACTED] b7C

On July 3, 1972, [REDACTED] stabbed to death Jessie Renteria Castro (CDC Number B-31838), a La Nuestra Familia (NF), (a Mexican California prison spawned gang) member, at Deuel Vocational Institution, Tracy, California. The NF had been at war with the Mexican Mafia (MM/EME) since 1968 and EME members had been friends with AB members. When Castro was killed, the AB and EME formed an alliance to help each other and to fight the NF.

The AB grew in size in the California prison system and today, it is estimated that there are more than 100 members. They carry out murder contracts, sell narcotics, and control gambling and the sale of "punks" within prison walls.

b7C [REDACTED]

On February 28, 1980, [REDACTED]

[REDACTED] It should be noted that there are no designated officers of the AB; certain members are just shown more respect than others.

Federal Prison System

In the mid-1970's, AB members began to be convicted of Federal violations [REDACTED]

[REDACTED] and other AB members got into the Federal prison system, they began to recruit as they did in the California prison system.

b7C

ARYAN BROTHERHOOD

[REDACTED] b7C b7D

The AB has utilized the tool of intimidation and backed this feeling of fear with some brutal murders.

The AB, in early 1980, formed a three inmate commission to run the AB in the Federal system [REDACTED]

[REDACTED] There are now an estimated 100 - 160 members of the AB in the Federal system. [REDACTED] b7C

Recently, a Los Angeles source has come forth and provided information regarding the AB. Source has provided accurate information regarding two murders in the Federal prison system, and has also furnished information regarding 58 individuals suspected to be members or sympathizers of the AB and the EME, both in and out of prison.

During a debriefing session, source indicated [REDACTED] b7C b7D

It is a hard fact that most of the AB will be paroled or discharged at some future date, and in view of members' lifelong commitments, it would be naive to think he would not remain in contact with his brothers. The rule of thumb is that once on the streets, one must take care of his brothers that are still inside. The penalty for failure to do so is death upon the members return to the prison system. Some of the paroled members' duties

ARYAN BROTHERHOOD

would be to supply his brothers inside with drugs, or to make hits on the street as commanded by his brothers.

A review of the atrocities attributed to the prison, gangs inside of our nation's maximum security prisons should shed some light on the potential of what these gang members can do with little or no supervision while out on the streets.

Source information indicates that the AB has a strangle hold on some of the top LCN members who are inside the prison system, so now it allows the AB access to the funding of organized crime.

second floor of that unit. [REDACTED] immediately proceeded to
the second floor of C-Block and upon arrival at the stairway
landing found inmate Neil Baumgarten, #20586-148, lying
partially on the stairs and half-landing leading to C-2
recreation area entrance door. Inmate Baumgarten was bleeding
profusely from the upper portion of his body.

[REDACTED] b7C immediately summoned assistance from
Institution staff utilizing the telephone located in the [REDACTED] b7C
immediate area. With the assistance of two inmates, [REDACTED]
placed Baumgarten on a stretcher and he was thereafter trans-
ported to the Institution hospital.

At approximately 9:40 a.m., Baumgarten arrived
at the Institution hospital and was provided emergency treat-
ment by physicians assistants. At time of treatment it was
estimated that Baumgarten had sustained approximately 15

puncture wounds to the upper chest, back and abdomen area. Due to the severity of Baumgarten's condition, he was immediately transferred to Evangelical Community Hospital, Lewisburg, PA, at approximately 9:55 a.m., and was pronounced dead at approximately 10:00 a.m.

The crime scene was immediately secured and Special Agents (SAs) of the Federal Bureau of Investigation (FBI) responded to the Institution.

Institution authorities initiated a search of the A, B, C and D-Blocks of the Institution. In addition a search was conducted of the outside perimeter grounds in an attempt to locate any physical evidence. The above searches failed to produce any weapon(s), articles of clothing or any suspected physical evidence. Inmates located within the living quarters at the time of the incident were secured and ultimately checked for any possible cuts, bruises, blood stains or torn clothing. All of the above met with negative results.

During the crime scene search physical evidence (blood) was found on the folding gate restraining partition located within the recreation area connecting C-3 and A-3 Blocks. It was discovered that it is possible for an individual to crawl underneath this restraining gate if assisted by a second individual who would hold the gate up from the floor. Further investigation of the area revealed a blood stain on the C-3 recreation area door. This indicates that the escape route taken by the assailants was through the C-3 recreation area door, through the recreation area itself, underneath the partition gate and back into A-3 (A-Block, third floor).

During initial interviews of inmates located within the immediate area of the incident, an inmate eyewitness to the murder was identified and interviewed by a Special Agent of the FBI.

[REDACTED] felt that the murder of Baumgarten occurred in retaliation for the murder of Cadillac Smith which occurred at the USP, Marion, Illinois, earlier in 1982.

b7C [REDACTED] also believed there was a second inmate involved in the murder of Baumgarten. b7C

b7D [REDACTED]
was placed in the Institution Administrative Detention Unit.

As the investigation progressed, it was determined necessary to place a number of inmates into the Administration Detention Unit, either for possible involvement in the murder or for having been identified as inmates who would most likely retaliate on behalf of the victim.

During the week of December 13-17, 1982, Institution staff and Special Agents of the FBI conducted numerous interviews of inmates towards the ultimate development of cooperative inmate witnesses.

b7C [REDACTED]
[REDACTED]
On December 15, 1982, a confidential inmate informant furnished the following information to [REDACTED] b7C

During the middle part of November, 1982, victim Baumgarten had arranged to purchase a quantity of cocaine which was to be received within the Institution from the outside over the weekend of November 27-28, 1982. Arrangements were made and \$1,000 was sent to cover the purchase of the cocaine. Due to this transaction, Baumgarten began purchasing drugs on credit within the Institution, using the imminent arrival of the cocaine as collateral.

The purchase of the cocaine was being directed by another inmate within the Institution whose identity was not known to the source. During the period of time that the cocaine was to arrive at the Institution, shakedowns by USP authorities resulted in various inmates getting "busted" for narcotics. This apparently

b7C

led to the postponement of the introduction of the cocaine. Simultaneously, Baumgarten continued to purchase drugs on credit and got further in debt.

Baumgarten owed [REDACTED] b7C
two papers of heroin valued at approximately \$150. [REDACTED]
began charging interest on the debt and started pressuring the victim for payment.

During the following days, Baumgarten continued stalling for time, in order to obtain the money owed to [REDACTED] indicating b7C
on three separate occasions that the money had already been sent. When the payment did not arrive, [REDACTED] again demanded payment.

During breakfast on the morning of December 9, 1982, prior to the murder, Baumgarten informed the confidential source that he was going to pay [REDACTED] the initial debt and interest but not the full amount demanded by [REDACTED] The initial debt with the accrued interest amounted to \$350, with the full amount demanded by [REDACTED] being \$500. b7C

On December 30, 1982, [REDACTED] b7C

During the period from December 1982 to the present, information has been received and compiled indicating the presence of a large group of inmates within the USP, Lewisburg, which has organized into a retaliatory and murder organization. This group is comprised of Black inmates from the Washington, D. C. area and is known as the "D. C. Blacks". A large segment of this group also has membership and/or ties with the Moorish Science Temple. Information has been received indicating that this group of inmates have banded together and have plotted the murders and attempted murders of white inmates at the USP their "cause" being the retaliation of the killing of Raymond "Cadillac" Smith who was purportedly murdered at the USP, Marion, Illinois, by incarcerated members of the Aryan Brotherhood (AB).

To support the above information, on December 11, 1982, a U. S. Bureau of Prisons transcript of a telephone conversation between [REDACTED]

Joint efforts of the U. S. Bureau of Prisons, USP, Lewisburg; FBI, Philadelphia Division; and U. S. Attorney's Office, Middle District of Pennsylvania, will continue to develop a viable prosecutable case involving the Baumgarten murder.

ARYAN BROTHERHOOD (AB)
LOS ANGELES DIVISION
RACKETEERING ENTERPRISE INVESTIGATION

During the last 180-day period, investigation in this matter has been primarily concerned with developing sources of information regarding the Aryan Brotherhood (AB).

CONTACT WITH OTHER AGENCIES

One such source of information is known as the California Prison Gang Task Force (PGTF). This task force is made up of representatives from various law enforcement and corrections-related agencies throughout the state, and meets on a once per month basis. The meetings offer investigators and corrections officers the frequent opportunity to discuss the latest intelligence and developments relating, not only to the AB, but to other prison gangs, including the Mexican Mafia (EME), La Nuestra Familia (NF), and the Black Guerilla Family (BGF). The Los Angeles Division now has a member representative who will be attending the PGTF meetings on a regular basis. [REDACTED] b7C

During this investigative period, the following information regarding members and associates of the AB was derived from various Federal and local agencies in the Los Angeles area:

On January 13, 1983, AB member, Robert "Blinky" Griffen, [REDACTED] was found guilty in San Bernardino County Superior Court, for the 1980 murder of "T-Bone Gibson." Griffen was also found not guilty of being in possession of a weapon. [REDACTED] b7C

On January 18, 1983, AB associate [REDACTED] CA b7C
arrested by the Los Angeles Police Department (LAPD) for parole
violation. [REDACTED] is presently in Terminal Island Federal
Penitentiary.

On January 20, 1983, AB associate [REDACTED] b7C
arrested by the LAPD and the United States Marshal's Office (USM)
on a Federal Warrant charging him with parole violation. [REDACTED]
has previously done State and Federal time, has admitted to being
an AB associate, and is associated with AB member [REDACTED] CII
[REDACTED] is also suspected to be an associate of members of the
EME. [REDACTED] has committed bank robberies, in the past, with [REDACTED]
who is considered an AB sympathizer. Since his
arrest, [REDACTED] has escaped from Federal custody, and is now a
fugitive. CII b7C

On February 3, 1983, AB associate [REDACTED] b7C
was arrested by the LAPD and USM at his residence in Los Angeles,
California on an outstanding Federal Warrant for parole violation
and bank robbery. A loaded nine-millimeter automatic was seized
from the residence. [REDACTED] has since been identified in
another bank robbery, and is suspected to be involved in a Los
Angeles murder/robbery.

On February 9, 1983, AB/Nazi member [REDACTED] b7C
was paroled from Folsom State Prison to Los Angeles.

On January 24, 1983, AB associate [REDACTED] A b7C
released from Terminal Island Federal Penitentiary and placed on
Federal parole. [REDACTED] was scheduled to appear on March 24,
1983 in the Santa Monica Superior Court by which he is charged
with burglary and being a felon in possession of a gun, by the
State of California.

AB associate [REDACTED] CA b7C
were arrested
by the California Highway Patrol immediately following the robbery
of the Pomona First Federal Savings and Loan Association, Glendora
Branch, in El Monte, California. [REDACTED] is presently in Terminal
Island Federal Penitentiary, and [REDACTED] is in the Los Angeles County
Jail.

On March 4, 1983, AB associate [REDACTED] CA b7C
was arrested by Hawthorne Police Department for violation of
Federal parole. [REDACTED] is presently housed at Terminal
Island Federal Penitentiary.

On March 9, 1983, AB member [REDACTED] b7C
was arrested by Sacramento Police Department on an armed
robbery warrant from San Mateo, California. [REDACTED] has since
posted bail.

On March 11, 1983, AB associate [REDACTED] CA b7C
was arrested by the LAPD and the USM for violation of Federal
parole. [REDACTED] is currently housed at Terminal Island Federal
Penitentiary.

AB associate [REDACTED] CA
is presently wanted
by law enforcement for his escape from the Impact House Community
Treatment Center in Pasadena, California. [REDACTED] was pending
sentencing on bank robbery charges. Shortly after providing
testimony against AB member [REDACTED] he escaped. b7C

Recently, AB associate Eros Timm was found stabbed
to death in his cell at the United States Penitentiary, Lewisburg,
Pennsylvania. Timm suffered from approximately forty stab wounds
to his head, neck and chest. Though many inmates have been
placed under suspicion, at this time none have been charged.
Investigators at Lewisburg believe that Timm was a victim of the
recent retaliation efforts of a group called the D.C. Blacks
towards the AB. CA

On April 5, 1983, also at the Lewisburg Federal
Penitentiary, an associate of Eros Timm, [REDACTED] b7C
Again, inmates associated with the D.C. Blacks are
under suspicion.

The retaliation efforts on the part of the D.C. Blacks
are believed to be due to the September 27, 1982 death of a
member, Raymond "Cadillac" Smith. Smith was allegedly killed
by [REDACTED] b7C
at the United States Penitentiary, Marion, Illinois. It is not
known if the violence between these groups is solely a race issue,

ARYAN BROTHERHOOD (AB)

or not. Investigators claim that the D.C. mob strives for power and control within the prison system. It is also known that the AB also strives for the same type of control. Investigators believe that the violence between these two groups is only in the "budding" stage. It cannot be determined, at this time, whether or not this violence will spill over into the California State prison system.

LOS ANGELES DIVISION INVESTIGATION

It should be noted that during this period, the Los Angeles Division of the Federal Bureau of Investigation completed a successful Title 3 investigation entitled, [REDACTED] aka: ET AL; RICO-NARCOTICS" (LA 183A-1595), [REDACTED]

SOURCE INFORMATION

During this investigative period, a number of confidential sources have provided information regarding the activities of the AB.

One such source advised that the AB has spread throughout the Federal prison system, and has developed links with other organized crime groups on the streets. In the early 1970s, members of the AB started going to Federal prisons for crimes such as bank robbery and narcotics violations. Two of the first members to do Federal time, were [REDACTED]

[REDACTED] b7c
As was the policy in the past, they began recruiting for the AB, only now they had the entire country to pick from. b7c b7D

[REDACTED]
The Federal prison system held many well-to-do members and associates of Italian organized crime groups, who were powerful on the streets, but were at the mercy of any "nut with a knife" while in prison. The plan was to have these La Cosa Nostra (LCN) figures pay protection to the AB, while at the same time, to ingratiate themselves with these mobsters. In return, the mobsters were safe while inside the walls, and were obligated to offer the AB members a "slice of the pie" on the streets when they were paroled. Other source information [REDACTED] b7c b7D

[REDACTED] b7c
[REDACTED] that the AB would protect LCN members and handle LCN hits inside the prison, and in return, the LCN would provide money, drugs and assistance to AB members on the outside. It was also agreed that the AB would comprise an elite "hit squad" for the LCN on the outside. b7c

Source contact [REDACTED]

[REDACTED]

Sources have also advised that as is the case with any organization, there must be a constant flow of information. In addition to the traditional prison "grapevine", [REDACTED] b7c b7D

Other source information indicates that [REDACTED] b7D b7C

According to sources, [REDACTED] is now putting together a marijuana business [REDACTED] and has offered pieces of the business to various AB members. This business will involve truck loads of marijuana being brought to the West Coast from the East Coast, primarily out of Florida. b7C

Other information has been received alleging that [REDACTED] b7C

[REDACTED] These individuals are closely associated with members of the AB, and it is suspected that AB members and associates are actively involved in the drug business. These individuals are supposed to be getting their drugs from an AB associated individual by the name of [REDACTED] who is a Chinese dope dealer in San Francisco, California. According to sources, [REDACTED] has a history of "fronting" dope to AB associated individuals. b7C b7C

Further information indicates that a Thai national, [REDACTED] an AB associate by the name of [REDACTED] was recently incarcerated in California. [REDACTED] has a connection for white heroin in Thailand, and has actively sought out help from the AB organization in his drug business. b7C b7C

Sources have advised [REDACTED] that there has been an alliance with the Mexican Mafia (EME). Once the AB had shown itself to be a valued and respected ally, there was a deal worked out, whereby the AB would unite in war with the EME against La Nuestra Familia (NF). In the Federal prisons, as in the State prisons, the AB and the EME have cooperated in several murders and shake-downs, and together they seem to form an irresistible force. Both the AB and EME look down on [REDACTED] b7C b7D

their brethern who still occupy the state prisons. They are looked upon as barbarians who spend their time plotting on each other, rather than bettering themselves by criminal enterprise.

ARYAN BROTHERHOOD MURDERS
IN THE FEDERAL PRISON SYSTEM

Since the inception of the AB in the Federal prison system, the organization has planned and carried out a number of brutal prison murders. During this investigative period, a [REDACTED] source has been developed who has provided information, and is willing to testify regarding [REDACTED] murders which took place at various Federal penal institutions throughout the nation. These AB Commission sanctioned murders took place [REDACTED] and involved victims who were "hit" because they were suspected informants, because they failed to pay drug debts, or just for making disparaging remarks about the AB. These murders involve members and associates of the LCN, AB, EME, and a Washington D.C. based street gang known as the D.C. Mob. One such murder, that of D.C. Mob leader Raymond "Cadillac" Smith in 1982, has been followed by many other murders, thought to be retaliatory in nature. The source has been interviewed extensively [REDACTED] and the results have been turned over [REDACTED] to the appropriate United States Attorneys for prosecutive decisions and action. b7D

The reason for the murder is believed to be that ANDREASEN was involved in some supermarket robbery for which he was arrested, along with two other individuals. One of the robbers was unknown, and it is believed that ANDREASEN gave up that name. [REDACTED] an AB associate, [REDACTED] is alleged to have tried to stab ANDREASEN when they were both housed at the Orange County Jail, Santa Ana, California. b7C

On 10/24/83, [REDACTED] (PROTECT IDENTITY), [REDACTED] b7C

[REDACTED] advised that on 10/22/83, two correctional officers were killed at the U.S. Penitentiary, Marion, Illinois. In the AM of 10/22/83, GENE CLUTTS, Correctional Officer, was stabbed forty times by [REDACTED] b7C

[REDACTED] is a member of the AB. The motive for the murder was that CLUTTS had not been showing him the respect that he believed that he should be getting. [REDACTED] had requested some pens, pencils, and art supplies, and CLUTTS had advised him that he would not give them to him and that an administrator would be taking over and it would be up to the administrator to give him these articles if he felt they were justified. This confrontation occurred 8-10 days ago. b7C

In the PM of 10/22/83, BOB HOFFMAN, Correctional Officer, was stabbed to death by [REDACTED] crime partner, AB member [REDACTED] b7C

[REDACTED] stabbed HOFFMAN between 35-40 times, another correctional officer 6 times, and another correctional officer 2 times. The purpose of the murder is unknown, and [REDACTED] had said earlier that day that if anyone laid a hand on [REDACTED] for the murder, he would take care of business. b7C

On 1/30/84, [REDACTED] (PROTECT IDENTITY), [REDACTED] b7C

[REDACTED] advised [REDACTED] Correctional Officer BOYD SPIKERMEN, Federal Correctional Institution, Oxford, Wisconsin, was stabbed in the throat and killed by [REDACTED] b7C

Information developed after the murder indicates that [REDACTED] has had an AB tattoo, [REDACTED] After the murder, he sent word to [REDACTED] that he had taken care of business. b7C

b7C
b7D On 3/8/84. [REDACTED]

[REDACTED] advised that he feels that the killing of the correctional officers was to set an example to the other correctional officers that they are not to mess with AB members or they will be killed. The ABs know there is no death penalty for killing a correctional officer, so they are utilizing members who are doing a lot of time to kill correctional officers. [REDACTED]

b7C b7D [REDACTED] feeling [REDACTED] is that they will continue to kill in the Federal System [REDACTED]

b7C b7D [REDACTED] They know that they cannot win, but by killing they can set an example of honor in winning favor and support in the eyes of the inmate population. The more they establish themselves in this concept, the more they become established as a true organized crime organization in the prisons and streets. The ABs feels that the Federal System has been abrasive to them so the killings of the correctional officers is retaliatory in nature and an attempt to establish a base on fear which affects both correctional officers and other inmates .

The ABs who are doing a lot of time are carrying out murder contracts for the Mexican Mafia (EME) as some of them are about to get out and it would be a waste for short timers to get a long beef as they can best be utilized on the outside.

b7C b7D [REDACTED]

b7C b7D It should be noted that the above information is a conclusion drawn by [REDACTED]

Copies of this are being furnished to receiving offices who have major metropolitan correctional centers, penitentiaries, and Federal Correctional Institutions, for their information and the Special Agents who work these institutions.

For information, three Correctional Officers, Federal

Recent information received from [REDACTED]

For approximately one month, appropriate personnel at the

 all members of the AB at USPLK. Their further instructions have
 included applying heat to those letters and envelopes in efforts
 to develop secret writing as it has been learned that urine has
 been utilized as the writing medium.

[redacted] and advised the following information:

He feels that the killing of correctional officers will escalate in order for the AB's to establish their authority through fear.

He feels that the way to solve the problem of the growing AB population in the Federal and State system is to segregate all of the members of the AB, as well as their associates. The State and Federal systems should get together and put all of the gangs in one prison and keep them locked down as that is the only way they can be kept from growing.

There is a chance that the AB's and MEXICAN MAFIA (EME) could cooperate with the BLACK GUERRILLA FAMILY (BGF), but he feels that in a period of time, that cooperation will deteriorate, as there are some diehard racists in the AB.

He feels that the killing of the correctional officers by the established members of the AB could spur the younger inmates to do the same in order to establish themselves as proven warriors, under the warrior concept..

He feels that if the AB's locate a correctional officer's home, they would be inclined to hit that correctional officer or his family.

The AB's attack on the correctional officers resulted from correctional officers being abrasive towards AB members and they wanted to make an example of these correctional officers. The purpose of the AB is now power and is not a racial organization as it has been deemed in the past. The AB's continue to be aligned with members of the Mexican Mafia (EME) and certain motorcycle type inmates.

[REDACTED]

The BGF has had to change its political form and structure because of the large numbers joining the black gangs called the CRIPS and VANGUARDS. The BGF will soon be outnumbered, if they are not already, and [REDACTED] was hit because he was too racial in nature.

The AB's are doing the hits on correctional officers more than members of EME because "they have all day", which means most are doing very long terms in the Federal prison system while members of EME will be getting out in a short period.

He feels that the murders of the correctional officers will spread like cancer lesions and the way to stop these murders is to localize the members of the AB and put them all in a single prison. This will stop the spread of the cancer. He feels that whoever interferes with the AB, whether it be correctional officers or inmates, will be killed at this time.

All other receiving offices having Federal Correctional Institutions (FCI) within their Divisions are requested to remain alert for possible AB related criminal activities. This effort should include homicides which may have been investigated heretofore as an unrelated CGR matter. Review of suspect cases should be conducted to determine possible prison gang involvement.

All receiving offices are requested to ensure appropriate liaison has been established with the security representative at their respective FCI, regarding ongoing Bureau interest in prison gang related activities and specific gang related homicides. It should be noted that recent information indicates a high potential for ongoing efforts by the AB to assault and/or kill prison guards, including Bureau of Prisons (BOP) personnel. In light of this, efforts will be undertaken through FBIHQ to maintain close working liaison with BOP, Washington, D.C. Parallel efforts should be undertaken throughout all receiving offices to ensure the prison gang problem is thoroughly addressed.

[REDACTED] a member of the AB. This murder occurred at U. S. Penitentiary, Leavenworth, Kansas. b7C

DOC PASEN

LA 183B-1754

The reason for the murder is believed to be that ANDREASEN was involved in some supermarket robbery for which he was arrested, along with two other individuals. One of the robbers was unknown and it is believed that ANDREASEN gave up that name. [REDACTED] b7C

[REDACTED] is alleged to have tried to stab ANDREASEN when they were both housed at the Orange County Jail, Santa Ana, California. [REDACTED] b7C

On 1/10/84, [REDACTED] Orange County District Attorney's Office (OCDAO), Santa Ana, California, (714) 834-4559, was telephonically contacted to determine if a motive had been determined for the knifing incident involving [REDACTED] and RICHARD FRANK ANDREASEN at the Orange County Jail. a member of the AB. The motive for the murder was that CLUTTS had not been showing him the respect that he believed that he should be getting. [REDACTED] had requested some pens, pencils, and art supplies, and CLUTTS had advised him that he would not give them to him and that an administrator would be taking over and it would be up to the administrator to give him these articles if he felt they were justified. Information developed after the murder indicates that [REDACTED] but was not a member of the AB. After the murder, he sent word to [REDACTED] that he had taken care of business. [REDACTED]

On 3/8/84, [REDACTED]

[REDACTED] b7C b7D
[REDACTED] advised that he feels that the killing of the correctional officers was to set an example to the other correctional officers that they are not to mess with AB members or they would be killed. The ABs know there is no death penalty for killing a correctional officer, so they are utilizing members who are doing alot of time to kill correctional officers. [REDACTED]

[REDACTED] b7C b7D
[REDACTED] They know that they cannot win, but by killing they can set an example of honor in favor and support in the eyes of the inmate population. The more they establish themselves in this concept, the more they become established as a true organized crime organization in the prisons and streets. The ABs feel that the Federal System has been abrasive to them, so the killings of correctional officers is retaliatory in nature and an attempt to establish a base on fear which affects both correctional officers and other inmates.

The ABs who are doing alot of time are carrying out murder contracts for the Mexican Mafia (EME) as some of them are about to get out and it would be a waste for short-timers to get a long beef, as they can best be utilized on the outside.

Re Bureau airtel to Springfield, 4/19/84, [REDACTED]

For information of the Bureau, Springfield Division has one United States Penitentiary within it's boundaries, that being the United States Penitentiary, Marion, Illinois, which is covered investigatively by the Carbondale Resident Agency of the FBI. This institution is the only level 6 facility in the U.S. Bureau of Prison System and houses approximately 325 long term inmates of which approximately one-third are State prisoners. There are approximately 100 short term inmates which are housed in a camp setting adjacent to the maximum security penitentiary.

As of 5/11/84 there are currently 13 verified ARYAN BROTHERHOOD (AB) members of which two are on the NATIONAL COMMISSION, who are [REDACTED]

It should be noted that [REDACTED] is the acknowledged leader in the Federal system and as such controls the illegal activities in other Federal institutions. The acts consist of murder, extortion, drugs, and the introduction of other contraband.

In addition to AB, the MEXICAN MAFIA (EME), who have been allies of the AB, are also housed at Marion. At the present time there are currently 19 confirmed members, one of which is the acknowledged successor to [REDACTED] who is [REDACTED] b7C

b7C Both the AB and EME have had control over most inmates in the Federal system by use of the activities noted above and have a strong following of non-members who are sympathetic to their activities.

Marion has had numerous murders committed by both groups. On 10/22/83 two officers were stabbed to death by [REDACTED] an AB commission member, and [REDACTED] a member of the AB. b7C

b7C Since 10/83 the penitentiary has been in a "locked down" status and there has been an obvious "splitting" of allies between AB and EME. There has been noted friction between the two groups and at the present time there is little overt communication between AB and EME except when actually required.

Intelligence indicates that there is a plot in progress to take over the institution by all inmates which is currently being discussed by [REDACTED] among his followers. b7C This plot is supposed to occur as soon as the institution "opens up" in the summer, 1984. This information has been furnished to authorities at Marion and emanate from a current member source.

Re: ARYAN BROTHERHOOD (AB)
PRISON GANG STRATEGY CONFERENCE,
LOS ANGELES, 5/30/84

b7D
[REDACTED]
[REDACTED] contacts are to be made within the AB and with other "white supremacist" associates in the near future to initiate efforts to gain insight into current AB "street" activities.

Specific attention was focused upon the recent AB activity and voiced intention to continue to "hit" Bureau of Prisons staff, both inside the respective facilities and "on the streets". This intention is to be a primary point of interest to be addressed by [REDACTED] source in his AB related efforts. b7D

Based upon this conference, specific direction and realistic immediate objectives were identified and provided [REDACTED]

b7C
On 5/31/84, SSA [REDACTED] and [REDACTED] b7C
proceeded to the San Francisco Division in relation to continuing official business within that Division. Based upon a prior contact with [REDACTED] Federal Bureau of Prisons (BOP), Washington, D.C., a meeting was conducted with BOP Western Regional Office. This meeting was conducted with [REDACTED] and b7C

b7C
During the course of the ensuing meeting both SSA [REDACTED] and SSA [REDACTED] conveyed the current priority focus of the FBI on the Prison Gang Program. SSA [REDACTED] advised the BOP officials of the specific efforts currently being addressed under the Organized Crime Program in relation to all of the "big four" prison gangs. The specific problems currently being experienced by BOP in the form of gang related violence directed against BOP staff was discussed in detail. SSA [REDACTED] addressed the Bureau's current investigative responsibilities in crime on a Government Reservation (CGR) and Irregularities in a Federal Penal Institution Statutes. Further, both SSA [REDACTED] and SSA [REDACTED] stressed the necessity of full cooperation between FBI and BOP, not only in the investigation of prison gang offenses, but the full dissemination of any and all gang related information regarding these offenses. This dissemination can facilitate, not only the criminal act under investigation, but also the potential impact of these isolated criminal acts on an overall RICO effort against the entire organization. b7C

Throughout the meeting, BOP voiced full willingness and eager cooperation in assisting and joining in the FBI's efforts to address the prison gang problems. This joint cooperation can greatly aid in the investigations of CGR type cases as well as provide timely intelligence information from BOP as to prison gang activities within BOP and anticipated release of identified gang members on parole to a given region.

These two meetings, AB Strategy meeting and BOP Gang Activity meeting, were highly beneficial for both the Organized Crime Section and the Personal Crimes Section as to identified programs within each section. The established direction and mutual areas of concern will be closely coordinated between all effected substantive desk supervisors.

Mr. Gerald Shur, Associate Director
Office of Enforcement Operations

guards have been killed within BOP by the AB within the last year. In light of this, both the Warden at Leavenworth and BOPHO have voiced full support for [REDACTED] and attempt to develop information regarding AB activity.

b7C
b7D

It is not anticipated at this time [REDACTED] will be submitted for participation in the Witness Security Program (WSP); however, the highly violent nature of prison gangs and the AB in particular, is of continuing concern in the FBI's efforts to address the problem.

If authorized [REDACTED]

Any necessary security in support of this effort will be coordinated with officials at the facility. It has been requested that due to the sensitivity of this matter, that only those officials within BOP that need to know be so advised; therefore all tentative contacts have been made through the Warden's office, Leavenworth, and BOPHQ.

Due to the short timeframe under which this effort is being attempted, expeditious handling is requested. Please coordinate this matter through Supervisor [REDACTED] FEINQ, telephone number 324-5629.

Your assistance in this matter is greatly appreciated.

Sacramento is not currently investigating prison gangs, i.e., Aryan Brotherhood, Black Guerrilla Family, or Mexican Mafia, on other than a reactive basis.

The Sacramento investigation of La Nuestra Familia (NF) reached the prosecution stage with convictions of 21 gang members. On 2/6/84, a hearing was held before USDJ Edward Price, EDC, at which time defense attorneys for the remaining four defendants argued motions for dismissal based on outrageous government conduct before the FGJ and RICO statute violation of First Amendment Rights of association. To date, Judge Price has not ruled on the motions.

It is not anticipated that Sacramento will conduct further active investigation of the NF due in part to a lack of enthusiasm on the part of the USA's office. Sacramento has been advised that any further prosecution of the NF should center on active members not currently incarcerated and whose crimes are homicides.

JK Division (Fort Walton Beach RA) subsequently contacted [REDACTED] who provided the enclosed background information on the ARYAN BROTHERHOOD. [REDACTED] related that although this prison gang is not active at FPC Eglin (a minimum security institution), it is very active in prisons with higher levels of security. According to [REDACTED] the letter was deciphered by [REDACTED] who reportedly has considerable experience in decoding letters from prison gangs. b7C b7C

[REDACTED] b7C has said the letter contains two codes characterized by sets of letters separated by "happy faces" and strategic placement of exclamation points. Broken down completely, the code reportedly reveals the following message:

If, in fact, the above message has been deciphered accurately, its meaning is unknown. Prison officials have speculated, however, that the message may refer to a foiled contract or "hit" on a member of an rival prison gang, NUESTRA FAMILIA (NF).

[REDACTED] (U) ARYAN BROTHERHOOD
RICO-ITAR CO:LA. [REDACTED] b7C

THE PURPOSE OF THIS COMMUNICATION IS TO ADVISE
THE BUREAU OF THE STATUS OF CAPTIONED INVESTIGATION WHICH
IS DIRECTED TOWARD PROSECUTING THE ARYAN BROTHERHOOD
PRISON GANG UNDER THE RICO STATUTE.

IN JUNE, 1986, THE UNITED STATES ATTORNEY'S
OFFICE, LOS ANGELES, CA RECEIVED A WRITTEN REQUEST FROM
THE LOS ANGELES SHERIFF'S DEPARTMENT (LASD) REQUESTING
THE FEDERAL GOVERNMENT CONSIDER A POSSIBLE RICO STATUTE
PROSECUTION OF AN INFAMOUS CALIFORNIA PRISON GANG
KNOWN AS THE ARYAN BROTHERHOOD (AB). A COPY OF THE
LETTER AND SIMILAR REQUEST WAS MADE TO THE LA OFFICE
OF THE FBI. SINCE JUNE, 1986, A PRELIMINARY INVESTIGATION
HAS BEEN CONDUCTED TO DETERMINE THE EXTENT OF THE ILLEGAL
ACTIVITIES CONDUCTED BY THE ARYAN BROTHERHOOD AND THE
FEASIBILITY OF PROSECUTION UNDER FEDERAL STATUTES. THE
LASD HAS PROVIDED TWO FULL TIME PRISON GANG INVESTIGATORS
TO ASSIST THE LA OFFICE OF THE FBI. MEMBERS OF THE

PAGE THREE (LA 183C-2030) UNCLAS

CALIFORNIA DEPARTMENT OF CORRECTIONS (CDC) HAVE ALSO PROVIDED ASSISTANCE AND MANPOWER IN SECURING THE NECESSARY RECORDS AND REPORTS ON THE PRISON GANG TO MAKE A DETERMINATION AS TO THE FEASIBILITY OF PROSECUTION.

AUSA NANCY WIESEN STOCK HAS BEEN CONTACTED REGARDING CAPTIONED MATTER AND HAS AGREED TO PROSECUTE UNDER THE RICO STATUTE.

SET FORTH BELOW IS AN OUTLINE OF INVESTIGATION CONDUCTED TO DATE RE THE ARYAN BROTHERHOOD;

THE ARYAN BROTHERHOOD(AB) IS A PRISON GANG COMPOSED OF WHITE INMATES. THE GANG HAS MEMBERS SCATTERED THROUGHOUT THE U.S. IN STATE AND FEDERAL PRISON FACILITIES. IN CALIFORNIA, THE GANG AROSE DURING THE 1960'S AS A RESPONSE BY WHITE INMATES TO ATTACKS BY BLACK AND HISPANIC GANGS. THE AB IS RACIST IN NATURE IN THAT THEY BELIEVE THAT THE WHITE INMATE IS SUPERIOR TO BLACK AND HISPANIC INMATES. THE AB IS NOT ASSOCIATED WITH OTHER OUTSIDE WHITE SUPREMICIST

PAGE FOUR LA 183C-2230 UNCLAS

ORGANIZATIONS SUCH AS THE AMERICAN NAZI PARTY, IN FACT, IN CALIFORNIA PRISONS, NO OTHER WHITE GROUP IS ALLOWED TO FORM IF THERE IS AN AB ORGANIZATION AT THE FACILITY; EVEN MOTORCYCLE INMATE GANGS ARE NOT ALLOWED TO BAND TOGETHER IN ANY CLOSELY ASSOCIATED GROUP WITHOUT RISKING AN ATTACK FROM THE AB.

WHILE THE AB WAS ORIGINALLY STARTED AS A MEANS OF PROTECTING WHITE INMATES FROM OTHER MINORITY GANGS, IT SOON PROGRESSED INTO A BUSINESS ABLE TO CONTROL NARCOTICS MOVEMENT AMONGST WHITE INMATES, THE ASSIGNMENT OF KEY PRISON JOBS TO AB ASSOCIATES, AND THE EXTORTION THROUGH THREATS OF VIOLENCE OF THE GENERAL WHITE INMATE POPULATION.

BETWEEN 1981-1988, MOST OF THE CURRENT LEADERS OF THE AB HAD MANAGED TO GATHER THROUGH THE "SUBPOENA PROCESS" AT THE CALIFORNIA STATE CORRECTIONAL FACILITY IN CHINO, CA. GANG MEMBERS WERE KEPT IN PALM HALL, A SECTION OF THE PRISON RESERVED FOR KNOWN GANG AFFILIATED

PAGE FIVE (LA 183C-2030) UNCLAS

INMATES. DURING THIS TIME SPAN 1982-1983 AB LEADERS MET ON A DAILY BASES IN THE YARD IN AN ATTEMPT TO BETTER ORGANIZE THE GANG. IT WAS DECIDED THAT SINCE EVERY AB MEMBER HAD A VOTE AND HAD TO BE CONSULTED ON ALL DECISIONS REGARDING AB BUSINESS, THE GANG COULD NOT OPERATE EFFECTIVELY AND IN A TIMELY MANNER. IT WAS THEREFORE DECIDED THAT A COUNCIL OF BETWEEN 10-12 INMATES BE SELECTED TO VOTE ON MAJOR ISSUES WITHOUT CONSULTING EVERY SINGLE MEMBER OF THE AB IN ALL THE PRISONS IN CALIFORNIA. IT WAS FURTHER DECIDED THAT A THREE MAN COMMITTEE BE ELECTED WHICH WOULD HAVE AUTHORITY OVER ALL AB MEMBERS AND EVEN OVER THE COUNCIL OF 10-12. IT WAS FELT THIS WAS NECESSARY TO PUT A SMALL NUMBER OF AB LEADERS INTO A POSITION OF SUPREME AUTHORITY AT WHATEVER PRISON THEY WERE LOCATED. THESE INDIVIDUALS WERE BASICALLY SELECTED FOR THEIR LONG TIME PRISON ACTIVITY WITH THE AB AND THERE PROPENSITY FOR VIOLENCE. LEADERS WERE ALSO SELECTED DURING THIS PERIOD FOR THE FEDERAL PRISON SYSTEM.

PAGE SIX (LA 183C-2030) UNCLAS

MESSAGES "KITES" WERE SENT TO ALL MEMBERS OF THE AB IN THE CALIFORNIA STATE AND FEDERAL SYSTEMS. ALL MEMBERS WERE ADVISED OF NEW RULES AND REGULATIONS AND IT WAS HOPED THAT THIS WOULD ENABLE THEM TO MAKE MORE MONEY ON NARCOTIC SALES AND TO BE ABLE TO EXERT A GREATER INFLUENCE ON PRISON LIFE. IT WAS ALSO DECIDED THAT NO LONGER WOULD AN INDIVIDUAL HAVE TO MURDER AN ENEMY OF THE AB IN ORDER TO QUALIFY FOR FULL MEMBERSHIP. IN THE PAST, THE AB WAS KNOWN FOR ITS EXTREME VIOLENCE AND HAD DEVELOPED A BAD REPUTATION AMONGST MOST PRISON GROUPS. IT WAS FELT THAT THE AB NEEDED DIFFERENT TYPES OF INDIVIDUALS WITH DIFFERENT SKILLS AND NOT JUST A MINDLESS BUNCH OF MURDERERS. ATTEMPTS WOULD THEREFORE BE MADE TO RECRUIT EXPLOSIVES EXPERTS, CHEMISTS, PEOPLE WITH LEGAL BACKGROUNDS, CONMEN, AND PEOPLE WHO WOULD BE ABLE TO RUN SCAMS INSIDE AND OUTSIDE THE PRISON. IT WAS ALSO DECIDED THAT GREATER CONTROL WOULD HAVE TO BE EXERCISED AGAIN ON INMATES WHO WERE AB MEMBERS AND WHO SUBSEQUENTLY PAROLED. IT WAS FELT THAT

A STRONGER OUTSIDE ORGANIZATION WOULD IMPROVE THE ABILITY OF INMATES IN THE PRISON SYSTEM TO CONTROL PRISON LIFE.

ALTHOUGH THIS REORGANIZATION OF THE AB AT THE CALIFORNIA STATE CORRECTIONAL FACILITY, CHINO, CALIFORNIA WAS SUPPOSED TO REDUCE THE VIOLENT ACTS COMMITTED BY THE AB AND ELIMINATE NARCOTICS USE BY INDIVIDUAL MEMBERS, THE RESULT WAS EXACTLY THE OPPOSITE. AS THE AB BECAME MORE AND MORE ADAPT TO MOVING NARCOTICS INTO THE STATE PRISON SYSTEM, THEIR OWN MEMBERSHIP BECAME AMONG THE WORST ABUSERS. ALSO DUE TO THE INFLUX OF NARCOTICS AND CONTROL OF THE DRUG TRADE, THE AB LEADERSHIP WAS IN A POSITION TO ORDER INDIVIDUALS WHO OWED THEM MONEY TO ASSAULT ALMOST ANYONE THAT FELL INTO DISFAVOR. THE IMPORTATION OF NARCOTICS INTO THE PRISON SYSTEM AND THEIR

PAGE THREE (LA 183C-2030) UNCLAS

SUBSEQUENT DISTRIBUTION THROUGH THE INMATE POPULATION IS NOT PART OF A WELL OILED MACHINE RUN BY THE AB. INMATES' WIVES ARE USED TO SMUGGLE NARCOTICS INTO THE VISITING AREAS TO BE SUBSEQUENTLY TRANSFERRED TO THE AB. INMATES WHO REFUSED TO UTILIZE THEIR WIVES OR PARENTS FOR THIS REASON ARE ASSAULTED. ASSAULTS ARE ALSO CONDUCTED OUTSIDE OF THE PRISON SYSTEM BY AB AFFILIATES ON THE FAMILIES OF INMATES WHO DO NOT COMPLY TO THE DEMANDS OF THE AB.

A COMPLEX SYSTEM OF P.O. BOXES AND PRIVATE BANK ACCOUNTS RUN BY THE WIVES AND GIRLFRIENDS OF AB MEMBERS ENSURES LITTLE PROBLEMS OF DISTRIBUTION OF MONEY FOLLOWING THE DRUG SALES.

LA IS PREPARING TO INTRODUCE EVIDENCE CONCERNING 12 MURDERS THAT HAVE OCCURRED IN THE CALIFORNIA PRISON SYSTEM BETWEEN 1982 AND 1986. THREE OF THE MURDERS HAVE RESULTED IN MURDER CONVICTIONS FOR AB MEMBERS AND ASSOCIATES. NINE OF THE MURDERS ARE UNSOLVED AND CURRENTLY UNDER INVESTIGATION BY THE CALIFORNIA DEPARTMENT OF CORRECTIONS ALTHOUGH NO INMATES HAVE FORMERLY BEEN CHARGED. INFORMATION COLLECTED DURING PRELIMINARY INVESTIGATION IN THIS MATTER HAS SPECIFICALLY IDENTIFIED THE LEADERS OF THE AB WHO ORDERED THESE MURDERS, INDIVIDUALS WHO ASSISTED IN THE MURDERS, AND THE IDENTIFICATION OF INDIVIDUALS WHO ACTUALLY COMMITTED THE MURDERS.

LA ALSO HAS DEVELOPED EVIDENCE REGARDING THE EXTENSIVE NARCOTICS NETWORKS IN THE MAJOR CALIFORNIA PRISON SYSTEMS. ALREADY AVAILABLE TO TESTIFY [REDACTED]

LOS ANGELES ALSO HAS DEVELOPED EVIDENCE REGARDING THE EXTORTION OF INMATES FAMILIES BY MEMBERS OF THE AB. THROUGH THE USE OF THREATENING PHONE CALLS, AND UTILIZING AB MEMBERS AND SYMPATHIZERS OUTSIDE OF PRISON TO VISIT, THREATEN, AND BEAT FAMILIES OF OTHER INMATES, THE AB HAS ENSURED A STEADY SUPPLY OF "MULES" TO FACILITATE THE IMPORTATION OF NARCOTICS.

IN ADDITION, EVIDENCE HAS BEEN DEVELOPED REVEALING THE IMPORTATION OF SEVERAL POUNDS OF MILITARY GRADE C-4 EXPLOSIVES INTO FOLSOM PRISON APPROXIMATELY ONE YEAR AGO. PART OF THIS CACHE OF EXPLOSIVES HAS BEEN UNCOVERED BY CORRECTIONAL OFFICERS AT FOLSOM PRISON, BUT IT IS BELIEVED THAT SOME IS STILL CIRCULATING WITHIN THE SYSTEM. AS EARLY AS MID NOVEMBER, AN AB INMATE WAS DISCOVERED WITH A QUANTITY OF DYNAMITE AT THE CALIFORNIA STATE FACILITY AT TEHACHAPI, CA, WHICH WAS BELIEVED TO

HAVE BEEN SMUGGLED INTO THE PRISON FOR USE AGAINST OTHER INMATES.

THE CALIFORNIA DEPT OF CORRECTIONS HAS IDENTIFIED THE AB AS BEING THE MOST VIOLENT INMATE GANG WITHIN THE PRISON SYSTEM. RECENTLY, WHEN AB LEADERS WERE PLACED IN SECURITY HOUSING UNITS FOLLOWING OUTBREAK OF VIOLENCE AT FOLSOM, PRISON, AB LEADERS ORDERED THEIR ASSOCIATES IN THE PRISON TO BEGIN STABBING RAPISTS AND CHILD MOLESTERS ON A DAILY BASIS UNTIL THE CORRECTION DEPT. SAW FIT TO RELEASE THE LEADERSHIP BACK TO THE GENERAL POPULATION. IT SHOULD BE NOTED THAT THERE WERE NUMEROUS STABBINGS OF RAPISTS AND CHILD MOLESTERS FOLLOWING THIS ORDER AND THAT INMATES BELIEVE THE RAPID RELEASE OF AB MEMBERS TO THE PRISON POPULATION WAS A RESULT OF THIS SHOW OF VIOLENCE. INMATES INTERVIEWED BY REPRESENTATIVES OF THE LA OFFICE HAVE SHOWN A CLEAR AWE AND RESPECT FOR THE ABILITY OF THE AB TO MANIPULATE THE PRISON SYSTEM. THEY ARE AFRAID FOR THEIR FAMILIES OUTSIDE OF PRISON AS WELL AS THEMSELVES WHEN BEING INTERVIEWED AND CONSIDERING
